OUR FIRST OF SEPTEMBER ISSUE.

The annual trade review of the APPEAL will be published on the 1st of September. It will be in every respect replete with facts, figures and logical comment and deductions of interest to the business interests of Memphis, and in order to accommodate merchants and others a mammoth edition will be issued on that day. We advise advertisers of the fact in order that they may prepare their notices and advertisements for it, and avail themselves of its immense circulation among the planners who make Memphis their market. Orders for advertisements or papers should be left at the counting room as early as possible, in order to secure prompt attention.

THE WEATHER.

Indications.

For Mississippi, Louisiana and Texas: Fair weather; southerly winds; nearly stationary temperature.

For Arkansas: Fair weather; southerly winds; no decided change in temperature.

For Tennessee and Kentucky: Fair weather; southerly winds; nearly stationary temperature.

CITY NEWS.

—Cotton is coming in at a lovely rate.

—The dirt roads are in excellent condition.

—The Toboggan will doubtless draw a big crowd this evening.

—Nearly all of the Chicago excursionists have returned home.

J. L. Bunick has returned from a brief trip to St. Louis and Chicago.

—Shelby street is all torn up on account of the extension of the Cincinnati railway.

W. L. Surphise has returned from Clarksville, where he attended the bicycle races.

—The I. O. O. F. Library having been closed during the heated term to give the librarian a short rest, is now open to visitors.

—The police succeeded yesterday in arresting another dandy whom they believe to have committed a number of small robberies.

—News was received yesterday of the death yesterday at his home in the Second District of Justice Cham Jones, of congestion.

Mrs. JOSEPH M. returned yesterday from a trip to Chicago. She was accompanied by her son and by Mr. Fred Nast, Mr. Uhl's cousin, who comes to Memphis on a visit.

—Baleigh Springs has been well patronized this summer by Memphis people, in spite of the poor accommodations. With a good railroad and hotel that charming resort would be crowded every summer.

—The name of "Barnum" on the circus bills with which the city was plastered yesterday was superfluous. No other showman ever understood the art as he does. His style of advertising is peculiarly his own.

—A fine of \$50 was imposed upon W. C. Schwalmeyer and L. C. Cestle yesterday by President Hadden because a neighbor complained that they had built a fence no higher than that of his out from the light of heaven. Later in the day he was enjoined by the Chancery Court from the collection of the fine.

—The commissions of the recently elected officials will probably arrive today. A note in the Union of yesterday says: Adjutant General Centrell and Mr. T. C. Tanner, of the office of the Secretary of State, completed the preparation of the commissions of the new judges and attorneys general. The postoffice addresses of these gentlemen having been ascertained, the commissions were forwarded last night.

—Justice Quigley, the County Court Clerk elect, said yesterday that the report that he intended to hold the office of magistrate was incorrect. His resignation cannot take effect until October 15th, when the County Court meets. Meanwhile the various candidates are getting in trim. None are yet announced, but among those mentioned are M. T. Gartin, J. B. Barry, Joseph Flynn and F. B. Millard.
